Dear Friend,

Our fall list contains a variety of interesting collectable and useful tools that we hope will appeal to you. Vernon Ward's grading system is used here with additional comments. You may call 617 358-4734 any evening and Friday, Saturday and Sunday any time after 9 AM EST to place an order. Please place evening calls before 10:00 PM EST. Tools reserved by phone will be held 7 days pending receipt of a check.

Please note that all prices on this list INCLUDE SHIPPING AND INSURANCE COSTS. You must include a street address for UPS delivery which we use wherever possible. Massachusetts residents please remit the 5% sales tax unless you can provide a dealer resale number. If you wish to stay on our mailing list, please send \$2 to help defray costs. Any tool that does not measure up to your expectations may be returned within 5 days for a full refund if it is in original condition and postage is prepaid.

ENJOY BROWSING

These excellent reference articles and books are referred to throughout the list by their abbreviations.
